pickers, the carters, the carts -- all that work and talk and planning, stood there; I was jostled. And suddenly I felt like a monkey that has been given a fountain pen or remembering her father, but the motion of the leaves and shadows drew it on. She saw him drunk, complicated, adult matters. He never felt that it had much to do with him, so how was he to have house and an old plum tree was a wash line, the clothes pinned on it flapping in the sunny breeze. "Oh, they'll come for the glory," said the harper, a lean, long-jawed, wall-eyed fellow of forty. "Maybe you'll have a go with us yourself, then? You had a hand for it, before you took to making money. And the voice not bad, if you'd worked on it." "Are you there, my dear?" said the traveler. He spoke in the Old Speech, the Language of the Making. "Come along, then, Ulla," he said, and the heifer came a step or two towards him, towards her name, while he walked to meet her. He made out the big head more by touch than sight, stroking the silken dip between her eyes, scratching her forehead at the roots of the nubbin horns. "Beautiful, you are beautiful," he told her, breathing her grassy breath, leaning against her large warmth. "Will you lead me, dear Ulla? Will you lead me where I need to go?" How the man had escaped him, Early did not know, but two things were certain: that he was a far more powerful mage than any Early had met, and that he would return to Roke as fast as he could, since that was the source and center of his power. There was no use trying to get there before him; he had the lead. But Early could follow the lead, and if his own powers were not enough he would have with him a force no mage could withstand. Had not even Morred been nearly brought down, not by witchcraft, but merely by the strength of the armies the Enemy had turned against him? "She will when the time comes. But she has no part to play in your decision, Diamond. Women know nothing of these matters and have nothing to do with them." "Not if I carry a staff," he said. "gift." A century and a half after Morred's death, King Akambar, a prince of Shelieth on Way, moved the court to Havnor and made Havnor Great Port the capital of the kingdom. More central than Enlad, Havnor was better placed for trade and for sending out fleets to protect the Hardic islands against Kargish raids and forays. Diamond hesitated and said, "No." He looked a question at his father. It may be that the Firelord was, in fact, a dragon in human form; for very soon after his fall, Orm, the Great Dragon, who had defeated Ath, led hosts of his kind to harry the western islands of the Archipelago--perhaps to avenge the Firelord. These fiery flights caused great terror, and hundreds of boats carried people fleeing from Paln and Semel to the Inner Islands; but the dragons were not doing as much damage as the Kargs, and Maharion judged the urgent danger lay in the east. While he himself went west to fight dragons, he sent Erreth-Akbe east to try to establish peace with the King of the Kargad Lands. His humble teachers had taught him all the words they knew of the Language of the Making. Among them had been neither the name of semen nor the name of quicksilver. But his lips parted, his tongue moved. "Ayezur" he said. "off with a juggler, I heard?" He had married while he was in Shelieth, a woman no one at Iria knew anything about, for she came from some other island, it was said, somewhere in the west, and she never came to Iria, for she died in childbirth there in the city. "He lived here," Dory said, a glimmer of pride breaking a moment through her helpless pain. "The Mage Ath. Long ago. Before he went into the west. All my foremothers were wise women. He stayed here. With them." honour her inheritance and be true to Iria. She drank the wine, but she hated the curses and the wizard, driven by his visions, forgot to guard himself--and if Otter could learn his name--up most of his mind, and most of what we have. So, do you see, put up your money where he won't. She stared. "But I thought you'd tell it to me - the password." years went on a larger house was needed for the school than any in Thwil Town.
