Grace knew it, too, because she went limp with misery in his arms, ceased struggling against him..Last night, in the superintendent's basement apartment, as they shared a bottle of wine, Sparky had told Vanadium numerous weird tales about Cain: The Night He Shot Off His Toe, The Day He Was Saved from a Meditative Trance and Paralytic Bladder, The Day the Psychotic Girlfriend Brought a Vietnamese Potbellied Pig to His Apartment When He Was Out and Fed It Laxatives and Penned It in His BedroomI have trusted in thy mercy, she thought desperately, reaching for comfort to Psalms 13:5..Celestina breezed through the open door with Angel. "No vanilla wafers. You'll be up all night with a sugar rush."."When the Iroquois Theater in Chicago burned on December 30, 1903" he said aloud, testing his memory, "during a matinee of Mr Blue Beard, six hundred two people perished, mostly women and children."..Their story would be that Cain's gun had jammed just as Tom had entered Barty's bedroom. Too cowardly for hand-to-hand combat, the Shamefaced Slayer had fled through the open window. He was loose once more in an unsuspecting world..The hospital room was softly lighted, and shadows roosted on all sides like a flock of slumbering birds..Although she had acutely felt the loss of Joey during the past three years, she had never missed him as much as she missed him now. Marriage is an expression of love and respect and trust and faith in the future, but the union of husband and wife is also an alliance against the challenges and tragedies of life, a promise that with me in your corner, you will never stand alone..After tucking the flashlight under his belt, he grabbed the lip of the Dumpster with both hands. The metal was gritty, cold, and wet..Sometimes he thought he walked for Perri, using the steps she had stored up and never taken, giving expression to her unfulfilled yearning to travel. At other times, he thought he walked for the solitude that allowed him to remember their life in fine detail-or to forget. To find peace--or seek adventure. To gain understanding through contemplation---or to scrub all thought from his mind. To see the world or to be rid of it. Perhaps he hoped that coyotes would stalk him through a bleak twilight or a mountain lion set upon him on a hungry dawn, or a drunk driver run him down..His severed toe lay across the room, on the white tile floor. It stuck up stiffly, nail gleaming, as if the floor were snow and the toe were the only exposed extremity of a body buried in a drift..Life was too short to waste it working if you had the means to afford lifelong leisure..Hunched over his desk, leaning forward conspiratorially, his piggy eyes glittering like those of an ogre discussing his favorite recipe for cooking children, Nolly said, "I've been able to confirm your suspicions..Among Junior's many gifts, his ability to focus might have been the most important. Bob Chicane, his former instructor in matters meditative, had called him intense and even obsessive, following the painful incident involving meditation without seed, but intensity and obsession were false charges. Junior was simply focused.Great hobnailed wheels of pain turned through Agnes, driving her into darkness for a moment..Celestina nodded, unable to respond to the aide's kindness. Sometimes kindness can shatter as easily as soothe.."I only told you about that," said Grace, "because it was a very handsome shirt, and I thought you might want to get one for Wally."..Celestina finally zipped shut the satchel. "You better watch out for the big bad wolf."..The coin stopped turning, pinched flat between the knuckles of the cops middle and ring fingers. He retrieved a box of Kleenex from the nightstand and offered it to his suspect. "Here."..Hard experience had taught him, however, that killing someone he knew, while occasionally necessary, didn't release stress. Or if it did briefly release stress, then unforeseen consequences always contributed to even worse future stress.."Honey," she said, crouching to peer at him through the vertical slats of the playpen, "what're you doing?".The physician saw the look and understood it. A blush pinked his long, pale face. "Celestina, you're quite beautiful, and I'm sure you've learned to be wary of men, but I swear that my intentions are entirely honorable."..This comment left Tom nonplussed. He could only imagine that Jacob had known someone who died in that crash-yet the twin's tone of voice and his expression seemed to suggest that a world without the Bakersfield train wreck would be a less convivial place than one that included it..Avoiding the graveled driveway, on which he was more likely to scuff his freshly polished loafers, he approached the house across the lawn, beneath the moon-sifting branches of a great pine that made itself useless for Christmas by spreading as majestically as an oak.."Better hurry," Wally advised, gracing Celestina's other cheek with a dryer kiss..And had Phimie, retrieved from death by the resuscitation procedures of the surgical team, repaid Nella's kindness with her own stunning message to Lipscomb?.Junior felt a little lightheaded. He felt strange. He hoped he wasn't coming down with the flu.."Why? What was he going to get out of it?". "I get peed off, and I miss some things terrible. But I'm not sad. And you've got to not be sad, either, 'cause it spoils everything."..They were in the rain, the solid-glassy-pounding-roaring rain, every bit as much as Gene Kelly had been when he danced and sang and capered along a storm-soaked city street in that movie, but whereas the actor had been saturated by the end of the number, these two children remained dry. Tom's eyes strained to resolve this paradox, even though he knew that all miracles defied resolution.."He's not a real contemporary person, not anyone Cain needs to fear. So how did he develop this obsession with finding someone named Bartholomew?" He met Celestina's eyes, as if she might have answers for him. "Is there a real Bartholomew? And how does this tie in with his assault on you? Or is there any tie-in at all?".Lipscomb said, "We're only two and a half blocks from the best Armenian restaurant in the city. I'll dash over there, bring back some chilled bubbly and an early dinner, if you'll allow me."..Taking her silence for assent, Tom continued: "Your father is gone from here, gone forever, but he still lives in other worlds. This isn't a statement of faith alone. If Albert Einstein were still alive and standing here, he'd tell you that it's true. Your father is with you in many places, and so is Phimie. In many places, she didn't die in childbirth. In some worlds, she was never raped, her life never blighted. But there's an irony in that, isn't there? Because in those worlds, Angel doesn't exist-yet Angel is a miracle and a blessing." He looked up from the city to the woman. "So when you're lying in bed tonight, kept awake by grief, don't think just about what you've lost with your father and Phimie. Think about what you have in this world that you've never known in some others-Angel. Whether God's a Catholic, a Baptist, a Jew, a Muslim, or a quantum mechanic, He gives us compensation for our pain, compensation right here in this world, not just in those parallel to it and not just in some afterlife. Always compensation for the pain ... if we recognize it when we see it."..ONWARD THROUGH THIS Monday, January 17, this momentous day, when the

ending of one thing is the beginning of another..And although Simon would have denied it, would even have joked that a conscience was a liability for an attorney, he possessed a moral compass. When he traveled too far along the wrong trail, that magnetized needle in his soul led him back from the land of the lost..According to the brief biographic note with the picture, Celestina White was a graduate of San Francisco's Academy of Art College. She had been born and raised in Spruce Hills, Oregon, the daughter of a minister..deodar cedars with layers of drooping branches surrounded the place, and usually they seemed sheltering, but now they loomed, ominous..Now Barty peered at the card, smacked his lips, smiled, and said, "Ga." With a flatulent squawk of the butt trumpet, he soiled his diaper..From late morning until dinner, people arrived and departed, raised toasts to a merry Christmas and to peace on earth, to health and to happiness, reminisced about Christmases past, marveled about the first heart transplant performed this very month in South Africa, and prayed that the soldiers in Vietnam would come home soon and that Bright Beach would lose no precious sons in those far jungles..AS THE WULFSTAN PARTY was being seated at a window table, slowly tumbling masses of cottony fog rolled across the black water, as if the bay had awakened and, rising from its bed, had tossed off great mounds of sheets and blankets..THE GENEROUS EXPENSE allowance provided by Simon Magusson paid for a three-room suite at a comfortable hotel. One bedroom for Tom Vanadium, one for Celestina and Angel..Parkhurst said, "We've eliminated most other possible causes. You don't have acute myelitis or meningitis. Or anemia of the brain. No concussion. You don't have other symptoms of Meniere's disease. Tomorrow, we'll conduct some tests for possible brain tumor or lesion, but I'm confident that's not the explanation, either."..Then the police in Spruce Hills would want to know why he had been screwing around with an underage Negro girl if his marriage to Naomi had been as perfect, as fulfilling, as he claimed. Unfair as it seems, there is no statute of limitations on murder. Closed files can be dusted off and opened again; investigations can be resumed. And although authorities would have little or no hope of convicting him of murder on whatever meager evidence they could dig up, he would be forced to spend another significant portion of his fortune on attorney fees..Junior stalked her, but she eluded him. Always, the song seemed to arise from the next room, but when he passed through the doorway into that space, the voice then sounded as if it came from the room that he'd just left..Recently, Wally administered to Angel a set of apperception tests for three-year-olds, and the results indicated that she might not ever be a math whiz or a verbal gymnast, but that she might be highly talented in other ways. Her appreciation of color, her innate understanding of the derivation of secondary hues from the primary colors, her sense of spatial relationships, and her recognition of basic geometric forms regardless of the angle at which they were presented were all far beyond what was exhibited by other kids her age. Wally said she was visually, rather than verbally, gifted, that she would undoubtedly exhibit increasing precociousness in matters artistic, that she might follow Celestina's career path, and that she might even prove to be a prodigy..was trying her best to ensure the health of the baby while still remaining slim enough to avoid suspicion..Atop the dead woman, Vanadium's leather ID holder ignited. The identification card would bum, but the badge was not likely to melt. The police would also identify the revolver..The telephone rang, putting an end to their chat, but Agnes would remember the substance of it later that year, on the day before Christmas, when Barty took a walk in the rain and changed forever his..Writing came with reading, and in a notebook, he began to make entries about points of interest in the stories that he enjoyed. His Diary of a Book Reader, as he titled it, fascinated Agnes, who read it with his permission; these notes to himself were enthusiastic, earnest, and charming-but literally month by month, Agnes noticed that they grew less naive, more complex, more contemplative..Vanadium understood the depth of his old friend's pain, and he knew that the anguish over the loss of a child could make the best of men act out of emotion rather than good judgment, and so he accepted Harrison's preference to let the matter rest. When enough time passed for reflection, what Vanadium ultimately decided was that of the two of them, Harrison was much the stronger in his faith, and that he himself, perhaps for the rest of his life, would be more comfortable behind a badge than behind a Roman collar..before used. Boeotian. A dull, obtuse, stupid person. He felt very Boeotian all of a sudden..Munching an Almond Joy, Junior returned to the phone book, with no choice but to find Bartholomew the hard way..The dinner guest leaned back into the car, as though to retrieve something. Perhaps he, too, had been considerate enough to bring a small gift for his hostess..After Maria, Bonita, and Francesca had gone, when Agnes and her brothers joined forces to clear the table and wash the dishes, Barty kissed them good-night and retired to his room with The Star Beast..The voice had come not from the armchair in the corner, but from immediately beside the bed..So many stops, too little time at each, a dazzle of Christmas trees decorated every one to a different taste, offers of butter cookies and hot chocolate or lemon crisps and eggnog, morning chats in bright kitchens steeped in wonderful cooking odors and-in the chillier afternoon good wishes exchanged in front of hearth fires, gifts accepted as well as given, cookies taken in trade for pecan cakes, "Silver Bells" and "Hark How the Bells" and "Jingle-Bell Rock" on the radio: Therewith they arrived at three o'clock in the afternoon, Christmas Eve, their deliveries completed before Santa's had begun..In the kitchen, Barty sat at the table, and Paul's heart pinched at the sight of the boy in padded eyepatches..This was only a fraction of Paul's collection. Thousands of additional issues filled rooms at home.. "As she comes closer to full term," said Dairies, "she's at great risk of preeclampsia developing into full eclampsia.".. "For a moment," Lipscomb continued, "her voice became clear, no longer slurred. She raised her head from the pillow, and her eyes fixed on me, all the confusion gone. She was so ... intense. She said ... she said, 'Rowena loves you.' The gas oven might blow up in his face, at last bringing him peace, but if it didn't, he would at least have cookies for Agnes..Gradually, Agnes realized that this was not a prayer for the soul of a deceased infant but for the survival of one still alive.. "I wish my Rico could have met your Harrison, too," Maria told Grace, referring to the husband who had abandoned her. "Maybe the reverend could've done with words what I couldn't do with my foot in Rico's trasero."..Through the cacophony of shattering glass, splintering wood, and cracking plaster, Paul heard the hard roar of an engine, the blare of a horn, and suspected what must have happened. Some drunk or reckless driver had crashed at high speed into the parsonage..Although he was a stranger, arriving unannounced, and something of an eccentric by anyone's definition, Paul was received by Grace and Harrison White with warmth and fellowship. At their doorstep, raising his voice to compete with the wailing weather, he hurriedly blurted out his mission, as if they might reel back from his wild windblown presence if he didn't talk quickly enough: "I've walked here from Bright Beach, California, to tell you about an exceptional woman whose life will echo through the lives of countless others long after she's gone. Her husband died the night their son was born, but not before naming the boy Bartholomew, because he'd been so impressed by 'This Momentous Day. And now the boy is blind, and I hope you'll be able and willing to give some comfort to his mother." The Whites failed to reel backward, didn't even flinch from his unfortunately explosive statement of purpose. Instead, they invited him into their home, later invited him to dinner, and later still asked him to stay the night in their guest room..Something was very

wrong with her, and she tried to speak, but again her voice failed her..One manly woman. Several womanly men. But no blocky figure that could have been the crazed cop even in disguise..And God has four hundred billion billion fingers, and He plays a really hot version of "Hawaiian Holiday..His artificial eyes were almost a month old. He'd been through surgery to have the eye-moving muscles attached to the conjunctiva, and everybody told him that the look and movement were absolutely real. In fact, they had told him this so often, in the first week or two, that he became suspicious and figured that his new eyes were totally out of control and spinning like pinwheels..Instead, he was given a small color brochure featuring samples of the artist's work. It also contained the same photograph of her smiling face that graced the window.."I don't stumble. Not much, anyway." To the girl, Bartholomew said, "Angel, are you okay?".He was about to go in search of the canapes when he half heard one of the guests mention Bartholomew to the reverend's daughter. Only the name rang on his ear, not the words that surrounded it..Trembling and sweating, he turned his back to the view window. As he retreated from the creche, he expected the oppressive pall of fear to lift, but it grew heavier..Also in the drawer was a pistol that he kept for home defense. He stared at it, trying to decide whether to go downstairs and make a sandwich or kill himself..Still on her knees, she raised the weapon and realized that she was going to shoot the maniac in the back, that she had no other choice, because her inexperience didn't allow her to aim for a leg or an arm. The moral dilemma overwhelmed her, but so did an image of Phimie lying dead in bloody sheets on the surgery table. She pulled the trigger and rocked with the recoil..Leaning forward from his armchair, white hair as radiant as the wings of cherubim, Obadiah waved one misshapen hand over the deck, never closer than ten inches to the cards. "Now please spread them out in a fan on the table, facedown."
