"I hung it in the hallway," Veronica said, getting up. She walked ahead and out the door while Mrs. Crayford waddled a few feet behind. Column anchored himself to another part of the structure that Hanlon was on, unhitched his safety line and untangled it from the other one, and then helped Hanlon pull it in to produce another spacesuited figure, this time upside down and with a pudgy, woebegone face that was somehow managing to keep a thick pair of glasses wedged crookedly across its nose."You could be right, but that's long-term," Lechat replied.
