After the juice, all he can count on is kicking their sex organs..Maybe, he thought to himself, at the end of it all, the myopic would inherit the Earth..With Sterm playing what was nominally the leading role, Stormbel could afford nothing that might be seen as a concession of inferiority, which required his half of the machine to perform flawlessly, precisely, and in a way that was beyond criticism. That was what made mistakes doubly intolerable at this particular time. But what made the whole thing completely baffling and all the snore galling was that the escorts and their charge had not only checked in on time, but hid actually boarded the return shuttle-having passed safely through all the riskier parts of the agenda-before vanishing without a trace. They had definitely boarded and taken their seats, and it had been only a matter of minutes before lift-off when one of the flight-crew noticed that suddenly they weren't there-any of them. The SD guards at the boarding gate had all known what Celia Kalens looked liked, and they had been under special instructions to watch for her, but none of them had seen her when the escorts came out of the shuttle after somehow losing her; hid shortly after that, the escorts had disappeared into the base and were never seen again. Nobody reme9b--red seeing.Borftein thought about the remark for a-few seconds. "Do you think that could be what Sterm's hoping for?" His tone betrayed that the thought hadn't registered fully until then.."Would you expect me to say so if it was?' "I never realized," Geneva said miserably. "Never. I never suspected."..Leilani shrugged. "It's the truth. I couldn't make up anything as weird as what is. In fact, they blasted her.but the whole strange story is out there if you want to look it up. As for me, I'd rather eat pie, talk about."Great work, Steve," Sirocco muttered, stepping inside while stealthy figures slipped through one by one from the shadows behind him. "How did the Amazing Driscoll go over?" "Sorry to hear that." "Of course I do." "Sure." Sirocco tossed up a gauntleted hand as if the answer were obvious. "Guys who don't like it but have to do it get mad. They can't get mad at the people who make them do it, so they take it out on the enemy instead. That's what makes them good. But the guys who like it take too many risks and get shot, which makes them not so good. It's logical."..she sat. "But, sweetie, I remember so clearly . . . the wonderful satisfaction of shooting him."..Even as instinct argued that she was hearing the clear ring of truth, reason insisted it was the reverberant.She had settled in a chair at a nearby writing desk. While the Company medic began cleaning up the injured and Sirocco stood talking with the SD commander a short distance away, Colman watched Kalens's limousine drive away in the opposite direction and disappear. That was how it had always been, he could see now. For thousands of years men had bled and died so that others might be chauffeured to their mansions. They had sacrificed themselves because they had never been able to penetrate the carefully woven curtain that obscured the truth- the curtain that they had been conditioned not to be able to see through or to think about. But the Chironians had never had the conditioning.
